

medicine illustration
came not captain
lost part home children
because cabin with
into white crowded
look quite enemies were boys
nurse starkey believe
back john michael
always pirate
hook return who did
lived smee this
knew ever become good
story asked looking
they all long name
cry kennel up fairies bell
would still merrily struck man sang boy are almost
thought of sitting hook's seen you most
do what our red how indians
suddenly last their mermaids fairy every
mother coat only something
first mrs one little heard tinkered way more
colour glass each life window tiger
until voice nana give
days cried right room felt clock went plank go any
die tell them room
flying underground its at evening
shadow silently hands other
really your as don't
light lily nothing tap crocodile
beentlung through pan some
even children's waiting
pirates himself tried bird together
brown live will how
spring nursery lagoon saw looked
ship once but
cave
instantly

and
the
was
